

Excursion Parent Permission Form

Great Outdoors Nature Adventure at Clifton Gardens, Wednesday 15th July

Excursions are an integral part of our program and are mandatory for children who have been registered and arrive on the day. Please note that casual bookings will no longer be available for excursion days within 7 days of the excursion date. For the safety and comfort of all participants, the number of children attending each excursion will be limited to a maximum of 50. To ensure adequate supervision and care, we maintain a minimum staff-to-child ratio of 1 educator for every 8 children.

The safety of your child is our utmost priority. All staff and children will be required to use safety restraints, such as seatbelts, while on the bus provided by Glenorie Coaches. The bus will follow the planned route as provided in advance, unless there are unforeseen circumstances, in which an alternative route will be taken.

We're heading to Clifton Gardens! Join us for a beautiful bushwalk followed by activities including bug and crab catching, as well as building beach habitats for native turtles and penguins!

Arrival: Please ensure your child is at BASC by **8:30am**, the bus will NOT wait if you are late.

Destination: Clifton Gardens, Morella Road, Mosman NSW 2088
